Nominate a Monte Vista Educator of the Month
The Educator of the Month recognition program is designed to recognize Monte Vista educators for outstanding dedication and work on behalf of the school community and students at Monte Vista Elementary.

How to Nominate an Educator of the Month: It's easy! Staff, students, parents, and community members are encouraged to nominate outstanding educators. Nominations must be received by the last Friday of the month. While only one nominee will be selected as Educator of the Month, all nominees will be acknowledged and appreciated for their hard work.

Please submit your nomination to the Main Office.
