**COMPULSORY EDUCATION INFORMATION LETTER**

Because of the school's commitment to quality education, we are concerned when a student misses school for any reason. The Jordan School District requires that all students achieve mastery in the basic skills identified for reading, language arts, and mathematics. Absence from school interferes with the student's opportunity to master these skills.

According to the Utah Compulsory Attendance Laws (53A-11-101), every school age child from six to eighteen years of age must be in school. The parents are responsible for their student's regular school attendance. It is a misdemeanor if you fail to have your student in regular attendance.

Occasionally, a student must be absent from school for reasons, which are acceptable to the school as well as the court. Please notify the school every time your student is absent explaining the reason. The school and the court usually require a statement from a doctor regarding extended absences for illness. Your cooperation is needed to help us give your student a quality education.

Please sign below indicating you have read the Compulsory Education Information letter of Jordan School District and return to the school.
