

- Acadience Data
 - Working on goal of growth, not just proficiency
 - Ended year at 77.5% at or above benchmark
 - Growth at 64.8% making typical or above average growth
 - Typical or above make a year's worth of growth
- Land Trust Plan
 - Goal 1 - School wide 80% proficiency and 65% of students will meet or exceed typical growth as measured by Acadience composite scores.
 - We'll take this and apply it at the class level.
 - Measure it by beginning of year, middle of year and end of year
 - One PLC a month to look at literacy goals
 - At mid-year have a ½ day implementation fidelity review
 - Action plan
 - Provide protected PLC time weekly.
 - Analyze progress monitoring Acadience data once a month.
 - Identify students by performance level.
 - Establish grade-level growth targets aligned to school goal.
 - Adjust Tier I instruction and intervention groupings (WTR) based on progress monitoring data and WTR skills group.
 - After 6 weeks, if not showing adequate growth, they will get a new intervention plan.
 - Tier II Intervention support (Walk to Read Model)
 - SB123 - hold third graders back if they don't reach a standard. There are a lot of exemptions written in the law.
 - Jordan School District presented to the legislature to show that 3rd graders below grade level typically were at grade level by 6th grade.
 - Resource Allocation
 - 5-6 walk to read aids (17 hour)
 - 2-3 grade level assistants (17 hour)
 - Expectation
 - Increase percentage of students growing
 - Vote - Jeanette motion to vote
 - Mrs. Valarde second motion
 - We all approve the plan.
- Safety Plan
 - Mr. Lovell meets with city officials once a year, but we can bring concerns to him any time of the year.
 - We are getting a few new security cameras
- Budgets are getting tighter
 - Walk to Read is top priority
 - Rotation teachers are next priority so PLCs can happen.
 - Next year we will still have all 5 rotations.

- First year the district won't pay for any of the BTS salary.
 - A lot of schools are sharing BTS teachers.
 - Amanda is at .75 and will stay there next year.
- TSSA Plan
 - RISE scores (3-6th grade)
 - We just got out of TSI.
 - Next year have an aid help younger grades with reading to help stay out of TSI
 - Hoping to increase Math and ELA RISE scores in proficiency and growth by 3%
