School Community Council
November 11, 2026 2:00 pm
Monte Vista Elementary

1. HB 273 - Implementation 2027 - 2028 School year
    - Grades K–3 (Screen Prohibitions): Prohibits classroom screen time for kindergarten through 3rd grade, with narrow exceptions limited to introductory computer science standards and standardized assessments.
    - Grades 4–6 (Balanced Instruction): Requires elementary schools in grades 4 through 6 to balance instructional technology with traditional teacher-led, print-based, and analog methods.
    - Take-Home Device Restrictions: Elementary students will no longer take district-issued Chromebooks home, and parents cannot request a district-issued device for elementary home use.
    - Homework Rules: Elementary teachers are barred from assigning homework that requires internet access or digital instructional technology

2. Student Attendance
