

School Supply List

Ms. Matheson, Fourth Grade

Needs

- **Headphones** - Please bring your own set of headphones to use with computers every day. I have a few that students can share, but we do use headphones daily.
- **Pencils Pouch** – Please make sure it **Zips!** The others pop open too easily and do not fit as well
- **#2 Pencils**- These sneaky things are always slipping away from us. I prefer students to have regular #2 pencils. Mechanical Pencils are fine as long as they do not become toys or distractions in class.

Extra

- I have a box of Colored Pencils and Crayons for each student. I also have a class set of Markers and Highlighters for the class to share. However, if they would like to bring their own sets they are more than welcome to. Please just make sure they fit in the pencil pouch.
- Highlighters – We have a set that students share, but they are welcome to bring in their own.

Not Needed

- **NO folders** - I have a designated homework folder for each student to use already purchased.
- **NO binders** – I have already purchased these for the class.

For the whole class –(things we are always in need of)
